	Define Your Photography Needs and Budget	29
	Research Cameras by Visiting Manufacturer Websites	31
	The Latest and Greatest Digital Camera Features and Functions	32
	Limitations of Low-End Cameras	35
	Cost Considerations	36

	How and Where to Find the Best Deals	37
	Photography Specialty Stores	37
	Consumer Electronics Superstores and Mass-Market Retailers	38
	Online Photography Retailers	38
	Online Auction Sites (eBay.com)	39
	Protect Your Investment: Insurance and Extended Warranties	41
CHAPTER 3	Digital Camera Accessories and How They're Used	43
	Everything You Need to Know About Memory Cards	44
	Memory Card Storage Capacity	45
	Read/Write Speed	46
	Caring for Your Memory Cards	47
	Camera Batteries	48
	Let's Focus on Lenses	49
	Technical Jargon Related to Lenses	50
	Types of Optional Lenses for Digital SLR Cameras	54
	External Flash Units	57
	Protect Your Equipment Investment with a Case	60
	Keep Your Camera Steady by Shooting with a Tripod	62
	Additional Photo Accessories Worth Considering	64
	Lens Filters	65
	White Balance Tools	66
	Light Reflectors and Diffusers	67
	Home Studio Light Kits and Studio Backgrounds	67
PART II	Tips and Strategies for Taking Professional-Quality Photos in Any Situation	
CHAPTER 4	Basic Photo Techniques for Shooting Like a Pro	71
	Get to Know Your Camera	72
	How and Where to Learn More About Your Specific Camera	80
	Create Your Photographer's Kit	84
	Practice Makes Perfect	85
	Why Photography Is a Skill and an Art Form	89
	An Introduction to Basic Photography Techniques	90
	The "Rule of Thirds"	91
	Choose the Right Lens and Equipment for Every Shot	94
	When to Use a Tripod	94
	White Balance 101	95
	Decide What, Where, and When to Shoot	98
	Choose Your Main Subjects, Plus Your Foreground and Background	100

	Framing Your Shots	102
	Consider Your Shooting Angle	105
	Always Take Lighting into Account	108
	Special Situations Require Special Shooting Techniques	112
CHAPTER 5	Indoor and Nighttime Photos:	
	Lighting and Flash Techniques	113
	When and How to Use Your Camera's Built-in Flash	115
	Using an External Flash Unit with Your Digital SLR Camera	117
	Home Studio Lighting Kits	118
	Home Studio Backgrounds	
	and Other Necessary Equipment	120
	Take Great Pictures at Parties, Holiday Events, and Weddings	123
	Strike a Pose	125
	Preplanned Shots Tell a Story	125
